Product Description

Mint faux silk Lisa Roses set in a clear glass vase. This beautiful, bespoke, and natural-looking fauxfloral arrangement is made to order by our team of passionate and skilled florists. Each arrangement we make, while based on set design, is a unique piece of floral art that is sure to turn the heads of those whose path it may cross. The silk flowers & leaves used are of high quality and will keep their beautiful shape & colour for years to come, requiring only occasional cleaning and maintenance. If you love having flowers in your home or office but are tired of the hassle and high cost of maintaining fresh arrangements, then our silk arrangements are for you.
